DEPARTMENT OF GEOGRAPHY PROFILE

Name of the Department - Geography

About the Department –

Aims and objective –

Courses offered – UG BA Degree course in Geography

List of faculty – Miss Pawar Sonali Enshivarj

Program outcomes :-

F.Y.B.A Semester I

Major Geography - Introduction to Human Geography

Outcomes :-

- Describe the meaning , nature, scope, and branches of human geography
- Develop an understanding of various approaches to human Geography
- Interpret the nature of the human environment relationship

VSC Geography – Tools and Techniques of Spatial Analysis – I

Outcomes:-

- Recognize the importance and use of maps in day – to – day life.
- Develop skills to prepare different kinds of maps
- Develop to observation, compilation, analysis reading skills.

FYBA Sem. II

Major Geography – Population Geography course

outcomes –

- Learners will be able to understand the concept and evolution of population geography
- Learners will be able to analysis the aspects of population growth, distribution and density.
- Learners will be to explain the cause, effects and types of migration.

VSC Geography – Tools and techniques of Spatial Analysis II

Outcomes :-

- Recognize the importance and use of data in day – to – day life.
- Develop skills in data collection representation and interpretation.
- Develop the observation, compilation, analysis and reading skills.

Semester – III

S.Y.B.A. Geography of Maharashtra

Outcomes –

- Learners will be able to acquaint student with the location administrative and physical environment of Maharashtra
- Learners will be able to assess various resources found in Maharashtra

SYBA Geography Paper – III

Title – Agricultural Geography

Outcomes –

- Learners will be able to acquaint students with the importance of agriculture in human civilization.
- Learners will be able to understand the physical and human factors affecting agriculture.

Semester – IV

SYBA Geography Paper – II

Title – Geography of India

Outcomes –

- Learners will be able to acquaint student with the location, administrative and physical environment of the country.
- Learners will be able to understand the distribution of physical and Man- made environment in india.

Semester – IV

SYBA Geography Paper – III

Title – Geography of Tourism

Outcomes –

- Learnes will be able to know the nature and scope of Tourism geography
- Learnes will be able to recognize the significance, recent trends and factors of tourism .

Semester – V

TYBA Paper – IV

Title – Introduction to Geomorphology

Outcomes -

- To define the field of Geomorphology and to explain the essential principles of geomorphology
- To define the field of Geomorphology and to explain the essential principles of Geomorphology.

TYBA Paper – V

Title – Geography of Rural Settlement

Outcomes -

- Learners will be able to recognize definitions, nature , scope , characteristics and importance of settlement geography
- Learners will be able to discover concepts like origin, growth, classification and hierarchy of rural settlements

TYBA Paper – VI

Subject Title –

Tools and Techniques in Geography For Spatial Analysis – I (Practical)

Outcomes –

- Understand and prepare different kinds of maps.
- Recognize basic themes of Map making
- Development of observation skills.

Semester – VI

TYBA Paper No. IV

Subject Title – Introduction to climatology and Oceanography

Outcome –

- To understand the importance of atmosphere and ocean
- To understand weather phenomena like winds humidity, condensation and precipitation.
- To understand the bottom relief of the oceans.

TYBA Paper No. V

Subject Title – Geography of urban settlement

Outcomes-

- The student were known the importance of urban settlements through urban geography
- The students understood the types of urban settlements, site and situations.

TYBA Paper No. VI

Subject Title – Tools and Techniques in Geography for Spatial Analysis – II

Outcomes –

- Learn the significance of statics in geography understand the importance of use of data in geography.
- Recognize the importance and application of statistics in geography.

Activities / Best * Best practices of Department practices –

- Welcome function for the new comers
